Contai High School	Aug,2019 - Mar,2021
Higher Secondary in Science with PCMB (Marks: 445 out of 500)	*Contai, WB*
Marishda BKJ Banipith	Jun,2014 - Mar,2019
Secondary (Marks: 603 out of 700)	*Contai, WB*

Experience

Summer Intern	17 June, 2024 – 30 July, 2024
Indian Statistical Institute, Kolkata	*Kolkata*

- Summer Internship on Machine Learning, Deep Learning, Image Processing.
- Completed the assigned project Performance of Clustering Algorithms on Visual Datasets.

Projects

Portfolio Website | *HTML, CSS, JavaScript*

- Developed Smooth and awesome user-friendly portfolio.
- Listed my various projects and achievements as well as my information

Song Website | *HTML, CSS, JavaScript*

- Designed and developed a smooth and user-friendly Song website.
- Users can easily search and listen to their favorite songs.

E-commerce Website | *HTML, CSS, JavaScript*

- Designed and developed a simple and user-friendly E-commerce Website.
- Intuitive user interface with responsive design.
- User can easily search and add their essential product into the cart.

Todo-List Website | *HTML, CSS, JavaScript*

- Designed and developed a smooth and user-friendly Todo-list website.
- Users can easily add, delete and update their items.

Technical Skills

Languages: C++, JavaScript, Python, Java
Technologies: HTML, CSS, BootStrap, Canva, Pandas, NumPy, PyTorch
Developer Tools: VS Code, GitHub

Achievements

- Solve 300+ problems and maintain 100+ streak in GFG.
- Solve 200+ problems in code 360 by coding ninjas.
- Solve 100+ problems in LeetCode.

Social Engagements

Club Member : Active member of Coder's Club and Center For Innovation Club.
Organisor: Organize and manage our college's Tech Fest (SRISTI).
